

HAPPY BIRTHDAY CLASS OF '77

The SJO Class of '77 will host a get together at **7:00 pm, Saturday, June 20, 2009 at Jupiter II in Champaign, IL** to celebrate turning Fifty! (Maybe we can say "Fabulous 50" after a few drinks?) Any class member is welcome along with your guests. Everyone is on their own for drinks and food. Please pass this along by email or word of mouth to any Alumni you are in contact with and ask them to do the same. **Feel free to invite any SJO Alumni friends to stop by!** We have space reserved for 50, however, it's a large area and we'll have plenty of room. Jupiter's has a large number of pool tables, nice size restaurant and bar on the main level, a good size game room in the lower level, (children allowed until 9 pm) and a big open space dining, bar area upstairs on the second level, where we will be.

(Staff at Jupiter's ask, as much as possible - please place food orders together in groups of 5 to 10, get separate checks, and then everyone pay one person in the group and have that person pay the total bill including tips, so staff will not have to do change for 10 - 15 checks at one time. They will be busy - it's a large area upstairs and we will not be the only ones in that room)

There is an ATM onsite for your convenience and a outdoor balcony area upstairs for those that smoke.

Jupiter's II is located in South West Champaign, at 2511 Village Green Pl., Champaign, IL 61822, Ph (217) 366-8300

(From the East - take Windsor Rd West- all the way to Village Green Pl - turn left)
